The 2011 Bulen Symposium is supported by the IUPUI Conference Fund.

Support the Bulen in 2011

The Bulen Symposium was established in 1998 to provide an important forum for the examination of the American political process. It is a biennial event, scheduled in conjunction with American electoral cycles and supported by private contributions and symposium registrations and sponsorships. American democracy is sustained by regular and reasoned inquiry and dialogue. Contributions, student sponsorships, and patron registrations support the Symposium and contribute to the democratic process of free speech, informed choice, and voter participation. Gifts are tax deductible to the extent the law allows.

We hope you will join us on February 18th! All seating for the Bulen Symposium is reserved with payment. Refunds for non-attendees are not available. Ensure your place at the Symposium by registering no later than Friday, February 11. Day-of registration at the symposium is available for \$50 (checks only).
